

## CAMEL

### CX414 PROFESSIONAL RETARDER

#### PRODUCT INTRODUCTION

RECOMMENDED USES	For removing of old emulsion paint film and also serve as an anti-blush retarder.
DESCRIPTION	A quality thinner specially formulated for removing the old wall paint of latex products. It also exhibits very good blush resistance during the application of lacquers in high humidity.
STANDARD PACKING	1 ltr and 4 ltrs

#### TECHNICAL DATA

BASE RESIN	Glycol ether
COLOR	Colourless liquid

#### APPLICATION

METHOD OF APPLICATION	<p>For removal of the old emulsion paint film, dilute 1-2 parts of the retarder by 10 parts of water. Apply a generous amount of the mixture onto the surface. Allow time for the mixture to penetrate and strip off the softened film with a scraper.</p> <p>For anti-blush purpose, quantity to be added varies according to the weather and application conditions.</p>
